

UrbanPromise Summer Camps

Our mission at UrbanPromise Toronto is to reach children with the love of Jesus and raise them into leaders who restore their communities. While we are uncertain as to what the new regulations will allow us to do, we are excited and hoping to have ministry in person! If not, we will remain on zoom, in backyards, front yards, porch steps and wherever God leads us. We will still seek to proclaim Christ and have lots of fun together.

Will you and your church be willing to help gather a few items to support this ministry?
