

# 2018 Children Ministry Conference

Saturday May 5 9am-12:30pm

***Understanding how children learn*** is important for real discipleship. We'll look at ways to engage children in learning, understanding different ways we all learn, and how everyone is intelligent (in their own way). Be ready to experience many of the ideas and principles that we hope will help you connect children with Jesus and his story.

## Speakers:

**Amy Csoke and Pastor Amy Yu**

Amy Csoke serves at Scripture Union Canada, an organization dedicated to connecting Canadians with Jesus and His Story through children's ministry and Bible engagement.
